'Focused on Care' is more than our motto; it's the way we practice medicine.

About Us:

At Wake Ear, Nose and Throat Specialists, Dr. Gupta offers general ENT care and specializes in diseases of the ear, nose and throat, including tumors of the head and neck. He has advanced training in minimally invasive surgical procedures including those involving the thyroid and paranasal sinuses.

We have a full service audiology department which provides audiology care and treatment of patients with hearing loss and tinnitus.

We provide care to children and adults and accept most insurance plans.
